TESTIMONIAL

"Jessica is an incredibly talented graphic designer. She is highly skilled and very creative. She is not only a pleasure to work with but she has the unique ability to take an idea and expand it into something that exceeds your expectations. I would highly recommend her to any companies looking for a new graphic designer."

— Steve Kim, Vancouver Career College Graphic Design Instructor

EXPERIENCE

APR 2019 - JAN 2022

EARLY CHILDHOOD EDUCATOR

Teacher-in-Charge

Octopus Academy Richmond | Richmond, BC

Planned, organized, and implemented activities and motivated children to participate, kept them engaged, and active during the day.

Cooperated with co-educators to deliver a child care program that helped children with their growth and development.
